- Go to Author Console -> Paper #193 -> click 'View Reviews' to see reviewer results.

## CAMERA-READY MANUSCRIPT COMPLIANCE RULES

📄 1. Page Length Requirement: 6 – 15 Pages Strictly
- The final camera-ready manuscript must be between 6 and 15 pages in length.
- Papers with <6 pages or >15 pages will be rejected from proceedings.

📚 2. References: Minimum 15+ References Required
- The paper must include more than 15 cited academic references (strictly ≥15).
- Ensure proper bibtex/citation format matching the template.

📐 3. Strict Template Formatting Compliance
- Paper must strictly follow the official ICoDiT 2026 Springer / CCIS template.
- Official template link: https://socs.binus.ac.id/icodit/post/templates-2/
- Follow instructions for author affiliations, headers, tables, and typography.

⚠️ Crucial Editorial Notice: Acceptance is Conditional
- Failure to satisfy any criteria above (page length, 15+ references, template format, or Nov 4 deadline) may result in rejection from the final conference proceedings.

# Invoice, Funding & Registration Workflow

Step-by-step procedure for funding track selection, invoice acquisition, and final registration

## TRACK A: INTERNAL (PIB-D / PIB-T) & EXTERNAL GRANTS

💳 Payment Mode: Bank Transfer Required

1. Request Invoice with Bank Details:
• Submit invoice request form: https://forms.gle/zin9v8Uk8xY1yJ1F6
• Once processed by committee, invoice is delivered to your email.

2. Execute Bank Transfer:
• Complete payment using the bank account specified in your invoice.
• Retain transfer receipt for university reporting & registration form.

## TRACK B: OTHER INTERNAL GRANTS & INDEPENDENT RESEARCH

🛑 Payment Mode: NO Bank Transfer Required

1. Direct Invoice Download for e-PDP Reporting:
• DO NOT perform any bank transfer.
• Download the ready e-PDP reporting invoice directly:
🔗 https://drive.google.com/file/d/12WL3J2-k4l8Fyt1qLXwwr-WVnwulq4/view?usp=drivesdk

2. Reporting Readiness:
• This invoice is issued without bank transfer details specifically for e-PDP reporting.

## FINAL STEP: MANDATORY CONFERENCE REGISTRATION FORM

📝 Once Step 1 is completed (invoice obtained/paid), proceed immediately to the registration form:
• Registration Form URL: https://forms.gle/tPArPqQA1FfZobfY8
• Cutoff Deadlines: November 4, 2026 (Early Bird Registration) | November 8, 2026 (Regular Registration Deadline)
• Confirm that Paper ID (193), author details, and attached invoice/receipt are submitted correctly.

# BINUS Funding Reporting Checklist (Thesis e-PDP)

7 mandatory deliverables requested by Lecturer Samuel Philip for conference fee reimbursement

**📁 OneDrive Folder: ICODIT - History-Conditioned SAC under Sensor Faults**
**Target Path: Samuel Philip's OneDrive (Thesis e-pdp) | Format matches sample folders (Stanley Wijaya / Dog Emotion)**

1. Scopus Indexed Evidence (SCOPUS INDEX.png)
• Screenshot from official ICoDiT website / Springer CCIS banner explicitly showing Scopus indexing mention.

2. Conference Invoice (INVOICE-ICODIT.pdf)
• Official e-PDP reporting invoice (Track B) downloaded directly from drive, or invoice received via email (Track A).

3. Draft Paper (Pre-Revision) (Paper-Draft-First-Submission.pdf)
• Original manuscript submitted to CMT before revisions (anonymized without author names is completely acceptable).

4. Open Data Proof (Data Availability Proof.png)
• Research dataset, latency benchmarks (latency_20261031.json), and open code.
• Clean Replication Repo (18 files): https://github.com/Fane-Nathan/tmrl

5. Open Contribution Proof (Author Contributions Proof.png)
• Breakdown of author roles (Felix S.*, Keandre R., Delroy, Samuel Philip).
• Core algorithm replication tree: https://github.com/Fane-Nathan/tmrl

6. Final Camera-Ready Paper (Full-Paper (after revise).pdf)
• Final revised camera-ready manuscript strictly adhering to 6–15 pages, 15+ references, and Springer CCIS template.

7. Letter of Acceptance (LoA ICODIT 2026.pdf)
• Official ICoDiT 2026 acceptance letter / email notification confirming Paper ID 193 acceptance for oral presentation.

✅ Immediate Submission Action
• Create folder in Samuel Philip's OneDrive: 'ICODIT - History-Conditioned SAC under Sensor Faults'
• Upload all 7 items to guarantee prompt university reimbursement processing.
